Dear Sir,

**North London Waste Plan**

During the closing session of the hearings, you asked the Boroughs to consider whether the issues raised by representors and yourself could be met by main modifications or needed a more substantial rethink of the Plan.

After reflecting with our Barrister on the issues raised, the Boroughs have agreed that the issues can be addressed through main modifications. The Boroughs will write to you in the New Year with our proposed main modifications for your consideration. We will keep you informed of progress through the Programme Officer.

Yours sincerely
